MEMORANDUM FOR: See Distribution

SUBJECT: Air Force Foreign Technology Division's Senior
Officers Orientation

1. I have arranged for a senior officer orientation of the Foreign Technology Division's (FTD) facilities on 30 and 31 March 1988. We anticipate military air transportation to and from Andrews Air Force Base, and have reserved a block of rooms through the Wright-Patterson Air Force Base in a local hotel in Fairborn, Ohio (government contract rates). I invite you to nominate three to five people, in priority order, who would benefit from this orientation.

2. Because we are minimizing costs by using military air and special room rates, I must have your nominations no later than 4 March 1988.

3. If we are unable to obtain military air support, we will cancel or postpone. In either case, we will notify you as soon as a determination has been made. My point of contact is [redacted] He may be reached on [redacted]
